

Muirfield Matters

Issue 5 2018

Term 2 Week 6

From the Deputy Principal - Ms. Tina Hosen

Thank You Muirfield High School

It is with great pleasure that I have joined the community at Muirfield High School. Muirfield has a strong reputation of being a supportive, warm and welcoming school; a place where every young person can develop in an environment conducive to teaching, learning and friendship. I have definitely found this to be true in my first weeks here. I would like to acknowledge the extremely warm welcome I have received since my arrival at Muirfield, from students, staff and the parent community. I look forward to working with you all to ensure that Muirfield High School continues to provide wonderful opportunities so that every student can reach their potential.

Athletics Carnival 2018

On Friday 18th May the school held its annual Athletics Carnival at Roxborough Park, Baulkham Hills. The day was brilliantly organised by Ms Bligh and Mr Edmondstone, with an impressive number of attendees and participants. Muirfield students continue to impress with their dedication to all school events and we would like to congratulate all students on their behaviour, their involvement and willingness to support their fellow competitors. Congratulations also must go to all the student helpers for their efforts in assisting teachers at the carnival and to our fabulous House Captains who did an amazing job of rallying house spirit amongst spectators and participants. It was a magnificent way to start the term.

Special acknowledgement must go to the skill and athleticism of our Age Champions for 2018!

Assessment Task Due Dates

With Term 2 well underway, students have been busy preparing for and completing assessment tasks. With a focus on personal improvement, they have been applying themselves with diligence to produce their best work and are to be commended on their efforts.

As part of the learning experience of school, adhering to NESA requirements and addressing fairness, it is important for students to learn to adhere to due dates regarding assessment tasks. Sometimes extenuating circumstances are involved that prevent a student from completing a task by the due date. A formal process is in place and the student concerned is required to speak to their teacher if they need to gain special consideration for an extension.

This process is set up in the school to support students experiencing genuine difficulty. If your child has difficulty working to due dates and deadlines, organisation might be the issue. A suggested technique is to teach them to find the end date and work backwards to plan their preparation times and activities. The following website may assist with techniques and assignment 'starters':

<http://www.schoolatoz.nsw.edu.au/homework-and-study/other-subjects-and-assignments>

As parents and carers, we appreciate how invested you are in your child's future. Together, in this learning community we are striving for success.

Semester One Reports

Semester One reports will be distributed to students by the end of this term. These provide important feedback on the progress of every student in every class. Whether it is through the reports or the day-to-day class lessons, research has shown that feedback given to students by their teachers is one of the best ways to enhance learning. The teachers' comments give feedback to students; how the student is engaged in class, what he/she has done well and what he/she needs to do to improve upon their performance.

Muirfield the teachers put a great deal of time and effort into the massive task of report writing. All students need to be moving forward in their achievement of course outcomes and improving their skills.

Every year I challenge students to set themselves the goal of gaining a better report than their previous one. This improvement process may, among many things, involve catching up on work missed, doing further reading or research, focusing on answering the questions asked, improving the setting out of responses, participating more in class discussion (which helps to verbalise their thoughts) and discussing work with the teacher.

Parent Teacher Evening

Year 8 and 10 Parent Teacher evening is scheduled for Tuesday 26th June, and Year 7 and 9 Parent Teacher evening for Thursday 26th July. This is a great opportunity for parents to meet teachers and gain valuable information on student progress. It is also an excellent time to seek the most effective ways to support students and their learning. We will be using the same online booking system as last year so please look out for the email to come in the next few weeks.

HSC Minimum Standards

A minimum standard of literacy and numeracy is required to receive the HSC from 2020 to reflect the importance of literacy and numeracy for success in daily life.

Students sitting the HSC in 2018 or 2019 do not need to meet the HSC minimum standard.

Current Year 10 students who achieved a Band 8 or above in one or more of the 2017 Year 9 reading, writing and numeracy NAPLAN tests are recognised as having met the HSC minimum standard in that area/s. Those students who did not receive a Band 8 or above in the 2017 Year 9 NAPLAN tests will need to take the minimum standard online tests between now and Year 12 to receive their HSC in 2020.

There will be multiple opportunities for your child to show they meet the HSC minimum standard. The tests can be taken when your child is ready – be that this year, in Year 11 or 12 or even after the HSC. The school will be providing an opportunity for students to sit the writing test on Thursday 14 June. Further opportunities to sit these tests will be provided by the school in Terms 3 and 4.

From this year, Year 9 NAPLAN tests will no longer be available as an early way for students to demonstrate the standard.

Uniform

As the winter months are upon us, it is important that students continue to wear the correct school uniform. Wearing of correct uniform signifies that they belong to our learning community and are ready to participate actively in their learning. Please ensure that your child has the correct school jumper and/or jacket, available from the uniform shop.

A school operates the same as a company or business. We have safety requirements that we must adhere to, as well as community expectations governing our uniform code. If a student presents at the deputy's office to question the reason for a uniform, we remind them that many places require a uniform. If they are working in a trade, they must wear protective clothing, including footwear. If they are working in an office, they may have a dress code. If they have a part time job in a fast food outlet or in retail, they must abide by the uniform requirements befitting that position. A school is no different to any other business. A typical adolescent response to this is "but they pay me". Our response is, "So do we, we pay with education."

Thank you to all parents and carers who work hard to ensure their children are in full school uniform every day.

A Final Thought

Our PBL (Positive Behaviour for Learning) system continues to recognise the many wonderful behaviours our students exhibit. Respecting yourself, others and property makes you a star ready to actively participate in your learning and be responsible for your achievements. Celebrate your successes this term, you all deserve them!

Young Women's Leadership Seminar

On Thursday the 17th of May, we attended the Young Women's Leadership Seminar held by Parliamentary Education at the Parliament of New South Wales. We arrived at 9:00 am and were addressed by a member of the NSW Parliamentary Education program.

We learnt about the importance of women's involvement in parliament and the issues women in leadership positions are faced with today, and also discussed the concepts of feminism and gender equality. We were then able to view both the legislative assembly and legislative council as various members of parliament presented potential new bills, and were even lucky enough to witness a division.

After that, we had the opportunity to participate in discussion with three female members of parliament, who told us how they had come to be members, the struggles they encountered on the way, and how they overcame those struggles.

Overall, it was a very informative and inspiring day, and we learnt that it is extremely important that women are represented equally through leadership positions, even though it can be challenging at times.

- Piper Oates & Jaelyn Mashiah Year 11

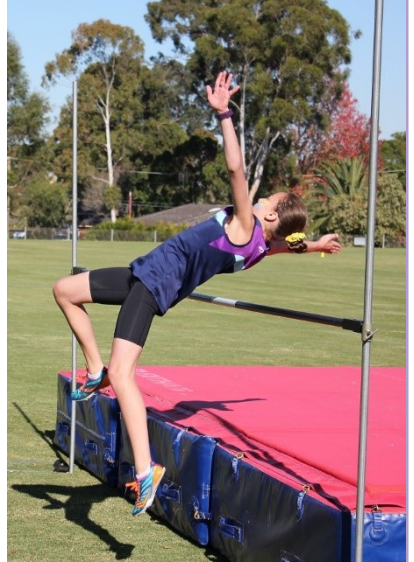

The Athletics Carnival

The 2018 Athletics Carnival was a great success. With an amazing effort from the Student Executive Team in organising and running the BBQ, cake stall and canteen, each member worked along side their fellow peers in an effort to raise funds for their year 12 formal and graduation.

With a big congratulations to each student competing and a massive thankyou to Ms Bligh, Mr Pearson and Mr Edmondstone for their countless hours of effort and organisation which saw the day run smoothly. There was an extensive spectrum of house colours from teachers and students as well as the year 12s, who had a twist to this year's carnival with their dress up theme; "What do you want to be when you grow up?" which produced an array of surprising and creative costumes.

With great luck, the carnival had beautiful weather and the sunshine merely added to both the tremendous participation and sportsmanship of all students. With an energised, positive and happy atmosphere, a commendable congratulations goes to the 2018 champion Athletic House; Thorpe.

- Deborah Hanslow

Year 8 Science Excursion to Taronga Zoo

On the 25th May, Year 8 went on an excursion to Taronga Zoo, to support their study of Ecology. After arriving at the Zoo, students had an opportunity to observe some of the enclosures on their way to the seal show. They were able to stop and admire the Gorillas and the Meerkats.

At the seal show, students learnt about the impacts that humans are having on the oceans. They were made aware of the pollution of the oceans by plastic and

fishing gear and the effect this can have on the ecosystem and the animals and plants living there. They were encouraged to look for sustainable fisheries when buying seafood. One lucky student Grace Montgomery was able to command the seal to jump from the upper level into the water. Luckily, she wasn't splashed!

After the seal show, some students had the opportunity to see the bird show while others were having a lesson on Ecology. A great attraction of this lesson was the seal swimming behind the presenter while she was talking. Students were able to meet and pat a ring tailed possum, a snake, a green tree frog, a freshwater turtle and a stick insect.

The Hills Young Leader's Afternoon Tea at Parliament House

The Hills Young Leader's Afternoon Tea was hosted by Baulkham Hills MP David Elliot at the State Parliament. I had the pleasure of attending this event with my fellow Muirfield High School Captain Lily Tomlin, and Vice Captains Reegan Bain and Lily Simpson.

In each of our capacities as leaders, we were honoured to represent the school at this valuable 'working luncheon'. Joined by Premier Gladys Berejiklian, Minister for Education Rob Stokes, and various key business and emergency service leaders in the Baulkham Hills area, we were well and truly in the presence of some exemplar pillars of our community.

We were also able to engage in conversations with students from other schools in our area, learning of the many initiatives embarked on in our community. An incredibly beneficial opportunity, I can confidently say all four of us took away many core principles centred on what it takes to become a successful leader and what it means to promote and encourage positive change in our communities.

We would also like to thank Mr Finley for very generously giving up his time to accompany us on the exciting evening, where we are sure he got as much out of it as we all did.

Nathan O'Shea

Gladys Berejiklian & Baulkham Hills MP David Elliott with The Hill's Young Leaders at Parliament House

"As a year 12 student, the opportunity to see where leaders in our community have taken their careers was very helpful and insightful"

Lily Tomlin

"Hearing the stories of many special guests and how their journeys began with leadership at school was an affirmation of the benefits to be reaped from helping others in our community"

Reegan Bain

"The words of Jason Heffernan, Commissioner of the NSW Rural Fire Service, were particularly encouraging, delivering a reminder to follow your passions over financial rewards"

Uniform shop

The new design sports shorts are in stock. There are 2 designs to choose from. We also have some extra black fleece jackets in stock for those that missed out on the online ordering earlier this year. The uniform shop is open at the following times:

Monday 12.30-1.30pm during school days

Thursday 12.30-1.30pm during school days

Monday (1st of month only) from 5.30-7.00pm

Canteen – help urgently needed

Our canteen offers a valuable service to our school community. In addition to our 2 ladies who manage the canteen, we are reliant on parent volunteers to assist us with food prep and serving the students at recess and lunch times. Without the assistance of our parent volunteers we are not able to effectively run the canteen. Employing more staff would mean that prices must increase. We would like to keep prices as affordable as possible for our families, whilst still offering healthy and tasty food.

We are needing a few more volunteers to join our roster. Volunteers assist Jannine in the canteen from 08H30 to 13H30, Monday to Friday during school term. If you are able to assist one or more days a month we would love to hear from you. If you are not able to stay for a full shift but can only do an early morning or late morning session, we would also love to hear from you.

Now that winter is here, it is inevitable that a parent volunteer will get sick. Life also happens and there are times where volunteers cannot come in due to an unforeseen event or a child getting sick.

In these cases we find it very difficult to get a volunteer to come in at short notice to help us for the day. We would like to have an emergency contact list that we can fall back on in these situations. Please let our canteen ladies know if you are happy to be on the emergency contact list.

If you do not like the idea of being on the roster on a regular basis, but are happy to only assist when we are in a pickle, please let us know that you are happy to be on the emergency contact list only. Grandparents are an important part of our families and communities. We value our grandparents at Muirfield and welcome grandparents to come and help us in the canteen.

We look forward to hearing from you as without your help we cannot run this service for our school community. Please contact the canteen ladies directly on mhs.pnc.canteen@gmail.com.

Date to diarise: P&C General meeting

Our next P&C general meeting will be held on the 13th June at 7.30pm in the common room. It is a great opportunity to find out what is happening in our wonderful school community. We look forward to seeing you there.

BLACK JACKET PRE-ORDERS

Muirfield High School Black Fleece Jackets may now be ordered using the P&C's online payment system. Our school winter jackets are fleece-lined, water and wind resistant and very warm.

The P&C is accepting jacket pre-orders ONLY via the Qkr! payment system. Pronounced "quicker", Qkr! is a free and easy to use mobile app for iPhones and Android smartphones that makes ordering uniform items very simple. We hope to streamline the ordering and delivery of the jackets using online ordering.

*****Black Fleece Jackets are available for pre-order only via Qkr!*****

*****Cost per jacket is \$65*****

*****Orders taken in advance for delivery in Term 2 of 2018*****

****Please note that Uniform Shop orders CANNOT be made via the 'Muirfield High School' website payment system.****

Why is Qkr! better for parents?

- It is a secure mobile app that allows fast and easy payments.
- It gives parents or students the flexibility to place orders when it is convenient for them.
- There is no need to load funds in advance.
- Parents or students need to use a credit or debit card to make a payment.

How do you get Qkr! app?

- Go to App Store on your iPhone or Google Play on your Android phone.
- Search for Qkr! by MasterCard and download the free app.
- Follow registration instructions or sign in if you have already registered.
- Use the search tool at the top right of screen, to search for "Muirfield High School" or if you have 'location' enabled in your phone settings, just select "Muirfield High School"
- Complete the student profile for each child.
- Select the winter black jacket from the Menu.
- Proceed to select the correct size and number of jackets required.
- Then proceed to your shopping cart to add your card details for payment.

What if I don't have a smart phone?

You can use Qkr! online. You will need to register and you will then be able to order uniforms online. Go to <https://qkr.mastercard.com/for-everyone-australia/> and select "Use Qkr! Online"

How do I collect uniform items?

You will be notified via the registered email address when the Black Fleece Jacket orders will be available for collection by students. Jackets are anticipated to be ready for collection in May.

Will Qkr! be used for other payments?

Muirfield P&C will explore extending online payments for other uniform items in the future. If you require further information or have any concerns, please email Muirfield P&C Assoc. Uniform Shop Committee on mhs.pnc.uniform@gmail.com.

****Please note that Uniform Shop orders CANNOT be made via the 'Muirfield High School' website payment system.****

PARENT AND CAREGIVERS PLEASE DO NOT DRIVE INTO THE SCHOOL GROUNDS

In the interests of student safety, **parents and caregivers are not permitted to drive onto school grounds at any time, including before or after school, to drop off or collect students, or to attend meetings with staff.**

There are deliveries and staff accessing the car park at different times during the day and the access is very narrow.

The only exceptions to this is when either you or your passenger has a disability or if you are picking up a sick or injured student.

**STUDENT SAFETY IS UP TO ALL OF US

Payments for School Fees, Activities and Resources

The preferred method of payment is through the secure link on our website. This is managed by Westpac which ensures security of payees.

Instructions for this process follows.

You may type in individual item payments or pay the full amount for all items.

Please record your receipt number. Use this on excursion permission notes and for your records.

Step 1: On Home page on Muirfield High School website: www.muirfield-h.school@det.nsw.edu.au

The screenshot shows the Muirfield High School website. The header includes the school name, tagline 'Excellence in comprehensive secondary education', and contact information: 'Easley Rd, North Rocks, NSW, 1585, Phone: 9472 2244'. The navigation menu includes 'Home', 'Our school', 'Curriculum & activities', 'Caring for students', 'School years', 'School internet', 'School calendar', and 'School to work'. Below the navigation menu, there is a 'Make a payment' link highlighted with a green circle and a green arrow pointing to it. A green box with the text 'Make a Payment' is also present. The main content area features a large photo of a group of students and staff, a 'Latest News & Features' section with a link to 'Muirfield H.S. - Linking the city to the country', and a 'Photo Gallery' section. The footer includes a 'Newsletter' section and a '2016 school funding allocations' link.

HOW TO "PAY ONLINE" AT MUIRFIELD HIGH SCHOOL

Step 2: Only answer **green asterisk (*)** questions

The screenshot shows the Muirfield High School online payment system interface. The header includes the school's name, tagline "Excellence in comprehensive secondary education", and contact information: Barclay Rd, North Rye, TN10 7JN, Phone: 0872 7244. The main section is titled "Payment Details" and includes instructions for users. The form is divided into "Student Details" and "Payer Details" sections. Annotations with arrows point to specific fields: a red arrow points to the "Student Registration Number" field with the instruction "Leave Blank"; green arrows point to fields marked with a green asterisk (*) in the "Student Details" section with the instruction "Answer green asterisk questions only"; a green arrow points to the "Date of Birth (dd/mm/yyyy)" field with the instruction "Continue answering green asterisk questions through to receipt printout". The "Payer Details" section includes fields for "Full Name", "Contact Phone Number", and "Contact Email Address", all of which are marked with green asterisks and have green arrows pointing to them with the instruction "Answer green asterisk questions only". The "Payment Options" section includes a list of payment methods: Voluntary School Contributions, Budget Contributions, Excursions, Spot, Creative and Practical Arts, Sales to Students, and Other. A green arrow points to this section with the instruction "Fill in payment options". At the bottom, there are "Cancel" and "Next" buttons, and a green box with the instruction "Continue answering green asterisk questions through to receipt printout and note your receipt details".
