

Muirfield Matters

Issue 7 2018

Term 3 Week 3

From the Principal - Ms Reeves

Welcome to Term 3

Term 3 is a particularly busy term. It is a term of endings and a term of planning for new beginning for next year.

Year 12 students commenced their HSC trials this week. In the weeks that follow, many of our Year 12 students have major works and HSC practical exams. The term ends with their graduation and formal. I know for many students, the planning and preparation for the formal takes much thought and effort.

Year 11 students end the term with their Preliminary exams. The exams are only six weeks away! In Term 4, Year 11 students commence their HSC course work. Of course, there are some students who have been accelerated and in Year 11 will be sitting the HSC exams.

The subject selection process for Year 10 into 11 and Year 8 into 9 has commenced, with parent-teacher evening last term and the subject information evening in Week 2. Year 8 selections were due in Week 2 and Year 10 are due Thursday 9 August.

Given the range of courses and patterns of study in Senior years, we have given intensive support for students so they can make choices that maximise their post school options. Prior to making selections, all of Year 10 are individually interviewed by the Careers Advisor, Year Advisor, Deputy Principal or Head Teacher Senior Studies. This is a massive task, to which the teachers give up much of their time. I thank Mrs Scott, Mr Wilcox, Mr Jankovics and Mr Finley for giving their time to help our students make the best possible choices. Students then take part in "subject samplers", where they select senior subjects for a trial lesson. The final part of our subject selection process for Year 10

students is an individual interview for each student with his/her parent.

The interviews will be held on Friday 17 August. in the library. Again, this is an enormous task but one we feel is beneficial for students and families.

By the middle of this term curriculum pattern in 2019 will be established so that our Timetable Team, led by Mr Finley, can construct a timetable for all students and teachers.

Refurbishments

Classes have commenced in two of our refurbished Science laboratories. The labs are bright, light and open; providing a great learning environment. They also have a new fume cabinet which is necessary for some experiments.

The new administration foyer is open for parent and student use. We have a fresh public entrance, however there is still a bit of work to do to complete the renovations in A Block. These should be finished by the end of term.

Recognition Awards

At the end of Terms 1 and 2, we hold assemblies for students in Years 7 to 12 who have demonstrated the core values of the school both inside and outside of the classroom. Term 2 winners are published in this issue.

MADD – A night not to miss

Our annual showcase of music, art, dance and drama is on again at Parramatta Riverside Theatre on Monday 31 August. For an exciting night of entertainment, it is not to be missed.

Swimming Success

Luke Garment Year 9 has been in Hobart competing at Australian School Swimming Championships. Luke finished with Gold in the 4 x 50 freestyle relay; Silver in 50m Butterfly, 50m Freestyle and the 4 x 50 medley relay; and bronze in the 100m butterfly. On the final day of swimming, he also volunteered to swim in one of the Northern Territory relay teams as the NT did not have enough swimmers to form some relay teams. Fantastic sportsmanship and absolutely brilliant results!

Sydney Water Refill Station

You may remember last year, one of our Year 7 English classes won a water refill station and were second in the ad competition in the state. 7G's English teacher, Ms Cole, entered her class in Sydney Water's Brand without a Bottle Competition. The competition enabled the students to engage in an authentic learning opportunity. Students had to write the script for an advertisement that had an emphasis on persuasive language, which would convince consumers to drink tap water rather than bottled water. Our students' script and storyboard were shortlisted. Together with the opportunity to film the ad, they won a water refill station. The water refill station is in constant use, and is robust enough to stand up to constant use by teenagers.

Ms Cole has repeated her success. This year, 7G had the opportunity to spend the day filming the commercial for which three of the class wrote the storyboard and script. Congratulations to Rachael Dunk, Gabriella Greco and Isabel Redoblado. Being shortlisted wins another water refill station for Muirfield, which will be installed later in the year. When it comes time to vote, we will email and ask for your support.

Upcoming Concert Band Tour – North Coast & Dreamworld

Interested in joining this tour?

September 28 to October 2, 2018.

Leaving last day of term, returning on first Tuesday of the school holidays

On the last day of this term, the Muirfield Concert Band will be departing on its third bi-annual band tour. This year students will be travelling up the Pacific Motorway via Port Macquarie, Coffs Harbour and Grafton before arriving on the Gold Coast where they will perform at Dreamworld theme park.

This 5 day, 4 night tour is not only limited to current Concert Band members. If your child plays (or used to play) a Concert Band instrument and would like to join us we would love to have them along. There is still plenty of time to begin attending rehearsals and learn the parts!

We are also offering limited places to other students who may wish to join us as:

- *Public Speakers (to MC our school and community concerts. This would suit senior students/school leaders who are confident in speaking in front of groups.)

- *Video/photography crew

- *Web/social media team

- *Dance and/or Drama – to perform a combined item with the concert band

Permission notes to Band members will be sent home shortly. Please contact Muirfield Band Director, Mr Steven Lavis at steve@teachingservices.com.au if your child has not received one. If you are interested in one of the additional non-musician positions, email Mr Lavis for details or speak with Ms Reeves or Ms Frame.

Year 7 Science Featherdale Excursion

Year 7 went to Featherdale Wildlife Park as a part of our Science topic Cells and Classification on Tuesday 26th June. All students who went on this excursion had a great time. We looked at all the animals, patted them and learnt about how and why we classify animals.

We saw many animals at the zoo, all to help us learn about how to classify them. Some of the animals we saw were dingos, wallabies, crocodiles, snakes, and echidnas.

To learn more on the topic classification, we went to the learning centre in the park to look, pat and learn about the different animals and to learn a bit more about how we classify them.

First, we were shown a shingle back lizard (also known as a two-headed lizard). The educator told us some interesting facts about the shingle back lizard like why it is sometimes called the two-headed lizard. She came around with the lizard and we could touch him if we wanted to as well.

Next, it was time to meet the Children's python. The amazing and the cuddliest one out of the three was the all-important koala. Touching him was a once in a lifetime opportunity due to most other wildlife parks and zoos not allowing koalas to be picked up or patted. His fur felt like sheep wool but softer.

Time flies when you are having fun! Before we knew it, the day had gone and it was time to hop back on the buses and back to school. That was a great day.

By Saskia Wilmshurst 7B

Year 11 First Aid Course

On Friday July 27th, forty four of our Year 11 Sport Coaching and PDHPE students attended the Provide First Aid Course run by the Australian Surf Lifesaving Academy of New South Wales.

The course was very well received by all students, thanks in large part to the highly informative and engaging presenters. The course compliments Sports Coaching competencies and the PDHPE syllabus and provides students with a nationally recognised certificate in first aid that they can use in their current or future work places.

All students participated to the best of their ability and enjoyed the unique experience this course offers.

YEAR 7 AWARD RECIPIENTS TERM 2

From the P&C

Entertainment book

The P&C have teamed up with Entertainment again this year to raise funds for our school. We get a percentage of the sales for each entertainment book sold. Buy the Entertainment book and you will save heaps on entertainment and dinners for your family and friends and raise money for our school at the same time. Please forward the link to your friends and family.

<https://www.entertainmentbook.com.au/orderbooks/2145e68>

Muirfield High is coming to the catwalk!

We are planning an exciting fundraiser for 2019. We are looking at hosting a fashion show to celebrate mothers and daughters, coinciding with Mother's Day 2019.

If you would like to help us arrange this exciting event, please contact us on muirfield.p.and.c@gmail.com. This is not something that we have hosted before, so we invite help and suggestions from our school community.

The idea of this event is more about community than about how much money we raise. We hope it will be an opportunity to make new friends, celebrate the amazing women in our community and if we raise some money to buy much needed resources for our school, it will be an added bonus.

If you have some experience in this area and would like to co-ordinate this event or help get us off the ground, we would to hear from you.

Contact details

Should you wish to get in contact with the P&C, uniform shop or canteen, our email addresses are as follows:

P&C: muirfield.p.and.c@gmail.com

Uniform shop: mhs.pnc.uniform@gmail.com

Canteen: mhs.pnc.canteen@gmail.com

Charmaine Hetem
P&C President

PARENT AND CAREGIVERS PLEASE DO NOT DRIVE INTO THE SCHOOL GROUNDS

In the interests of student safety, **parents and caregivers are not permitted to drive onto school grounds at any time, including before or after school, to drop off or collect students, or to attend meetings with staff.**

There are deliveries and staff accessing the car park at different times during the day and the access is very narrow.

The only exceptions to this is when either you or your passenger has a disability or if you are picking up a sick or injured student.

STUDENT SAFETY IS UP TO ALL OF US

THANK YOU FOR PLAYING YOUR PART

Muirfield High School P&C Association

Come join in the Fun at North Rocks Carlingford Little Athletics...

The philosophy of the Little Athletics movement is summed up in the slogan:-
"LITTLE ATHLETICS... FOR... FAMILY... FUN... and... FITNESS".

The community has become increasingly aware of the value of physical fitness, particularly in the fight against obesity.

A fit body can mean an alert mind and a decrease in the incidence of many physical ailments.

Combined with **FAMILY** involvement... **FITNESS** can be...**FUN** in the happy environment of a Little Athletics centre.

Check out our website: <http://www.nrclac.org.au/> for registration and more information or contact us.

Registrations open from 1 August 2018.

We would love to see you join in the fun at North Rocks Carlingford Little Athletics this season!

Parramatta Boys AAL Squadron is enrolling for Term 3 2018

We are writing to let you know that the Parramatta Boys Squadron of the Australian Air League has is enrolling cadets for Term 2 2018 at its meeting location at LOT 1 Edison Parade, Winston Hills NSW 2153 on Tuesday evenings from 7:15 until 9:15pm.

The Parramatta Boys Squadron is one of the oldest Squadrons in the Australian Air League, forming in 1935 and for many years met in their hall at Jubilee Park, Parramatta. Unfortunately, progress took its toll and the hall that the Squadron had met in since the 1940s will soon be redeveloped, so the Squadron has taken the opportunity to move into a new area at Winston Hills.

The Air League is inviting young people, who may be interested, to come down with their parents and learn what the Air League has to offer. The Australian Air League is a nationwide organisation for young people aged from 8 to 18 years. Staffed by volunteers and self-funding, it teaches leadership skills and provides a wide range of interesting and exciting activities such as camping and hiking, sport and physical recreation, building and flying model aircraft and ceremonial drill. Through classes and practical demonstration members learn the theory of aviation and a wide range of associated topics such as Meteorology, Navigation, Aero Engines and Aircraft Construction, as well as general interest subjects such as photography, field craft and community service.

The Air League also provides a range of flying experiences for its members, from simple scenic joy flights through to gliding and powered-flying training, from private pilot licence (PPL) through to airline entry standards – all in aircraft owned, operated and professionally maintained by our staff.

Running a strong program that is both fun and educational, the Australian Air League is making fine citizens out of young Australians. Currently there are also a number of other Squadrons in Western Sydney including Penrith, Richmond, and Blacktown as well as Squadrons at Epping and Ryde.

Girls with an interest in aviation may also contact the Blacktown Girls Squadron via our 1800 number below.

For more information please contact:

Parramatta Squadron
