# Muirfield Matters

Issue 12 2018

Term 4 Week 10

## From the Deputy Principal - Mr Jankovics

Term 4 has been, and always is, a busy term for us all.

This term we have had not only the normal day to day activities, but Summer Arts, Year 10 Camp and Work Experience, Peer Support Training, Orientation Day, Transition programs, The Farmers Cup, Presentation Night, as well as our usual business of teaching and learning. These programs are integral, and at times, unique to Muirfield and would not succeed without the goodwill of many staff members and the dedication of our students.

I would like to acknowledge the teachers and support staff of Muirfield High School for their work this year and in particular those teachers who have taken an active role in major school events. At the end of the day staff commit to these programs because of their belief in the benefit of a holistic and well-rounded education for our young people. Unfortunately, as the server was down, we cannot include photos.

## Year 10 Camp

In Week 8 Mr Wilcox successfully led his charges through the trials and tribulations of the Year 10 Camp. Although exhausted on their return, the students reflected that they found the experience both rewarding and challenging.

Students participated in numerous activities and seminars over the three day camp. In groups, they completed a number of challenges unique to outdoor learning centres.

Students were challenged to step out of their comfort zone and try activities that tested their limits such as the power fan leap, abseiling, commando, survivor challenge, giant swing, archery and the high ropes. They also completed the mandatory Crossroads Program which covers important issues around sex and drug education. All the activities are designed to develop positive relationships, fostering the right kind of attitudes about themselves while learning about safe risk taking in a supportive environment.

Students returned very tired with remnants of mud still behind their ears but clearly had a terrific couple of days away at the Great Aussie Bush Camp at Kincumber. I am sure that they will share these experiences with each other for many years to come and in particular the highly energised way that several boys reacted when they faced their fear of heights. All of the staff who attended, Mr Wilcox, Ms Bligh, Ms Hyland, Mr Pearson, Mr Williamson and Stu, were very impressed with the behaviour of all the students. The Aussie Bush Camp leaders repeatedly told us how impressed they were with the Year 10's behaviour and attitude. Thankyou to the teachers who spent time away from their families to supervise the camp goers.

## Staff Farewell

At the end of this year we are sadly farewelling one of our dedicated agriculture teachers who was successful in gaining a position at Kincumber High School.

Mr Skevington leaves with our very best wishes and a huge thank you for everything he has done in the teaching of agriculture and maintaining our school farm. Good luck with the rest of your career Mr Skevington.

## Year 7 2019 Orientation Day

The biggest incoming year group that Muirfield High has ever seen at just over 185 students joined us for Orientation Day. A terrific and informative day was had by all as the students explored the school, met their Peer Support Leaders for the first time and finished their visit with a sausage sizzle. Many parents reported that they were much more nervous than their children and even where there was a little anxiety on display amongst the students it evaporated quickly by the afternoon, with many citing how much they had enjoyed the day and the increased confidence it gave them.

An exciting new multimedia production was premiered on the day which was a film made by the student body aimed at communicating information about what it is like to live the 'Muirfield Experience' from the perspective of a Year 7 student. Elijah Barclay and Ella Clasie were outstanding as the presenters. Thank you to Mr Alley, Ms Kidd and Ms Bopaththage for your efforts in guiding students through the creation and production of such a professional and polished film.

A big thank you to the Year 10 Peer Support Leaders who, under the leadership of Ms Au and Mr Roberts, spent a lot of time to ensure the delivery of high quality and engaging activities that had all the students feeling confident and excited about starting in 2019. The Peer Support Program not only allows our new members of the Muirfield community to get to know some friendly faces, but it allows our students to build their leadership abilities. It is amazing how some of our quiet and unassuming students are able to shine during these programs.

I would also like to thank the 2018 SRC students who helped out during Orientation Day, greeting parents and guiding our future Year 7.

## Summer Arts

Summer Arts was an incredible success as always, with an evening which showcased the talents all of all our artists, musicians, dancers and drama students.

A huge thank you and well done goes to Ms Frame and her team for putting on such a magnificent evening for the students and their parents. I would also like to acknowledge the parents who supported their children by attending the evening.

## Equipment Lists

Equipment lists for all years are contained in this newsletter. Help your child be ready for the new school year.

## Uniform Reminder for 2019

The P&C and the wider Muirfield community strongly support the wearing of the school uniform; hence the uniform shop is totally managed by the P&C. Before parents purchase any uniform items I urge parents to use the uniform shop to ensure that the purchased items will definitely be approved by the school.

The Department of Education has very clear guidelines on what is appropriate footwear. To help parents avoid any confusion I have included visuals of what is approved footwear in this newsletter. Also to further help parents, information about uniform and footwear is also available on the school website. To avoid students getting into unnecessary trouble next year please support the school when purchasing uniform for 2019. I thank you all in advance for your support.

The most common items that our students wear that are NOT uniform include:

- Branded running shorts on girls instead of designated school sport shorts
- Sports shorts and track pants on non-sport days on boys
- Non-leather shoes on both boys and girls
- Tight black elasticised skirts and tights

Sometimes our young people tell their parents that, "It doesn't matter" or "That everyone is wearing these." It does matter and most students do not breach the uniform requirements. Breaches of school uniform are followed up and reported on student reports from Year 7 - 12. Please support us in maintaining our positive public image and strong school spirit that wearing correct uniform engenders. Your cooperation in this important matter will be appreciated.

If you have any preloved uniforms you no longer require, could you please donate them back to the school to top up our emergency stock, by handing them in to the front office.

## Summer Arts

Summer Arts was a spectacular experience. The musicians, performers, and artists highlighted throughout the evening were enthusiastic and talented. There were a great selection of performances from singers, instrumentalists, dramatic actors and dancers. The MCs were festively dressed and guided the audience through the show in an entertaining manner.

Each performer showed an impressive effort to deliver their performance beautifully. Along with the showcase of Music, Dance and Drama, there were a wide range of artworks displayed in the annual exhibit, ranging from impressive HSC Body of Works and Senior

Photographic images, through to the our Junior Visual Artists displaying skills developed in Painting, Drawing, Sculpture and Ceramics.

The variety of goodies before the concert and during the intermission provided the audience cool relief from the heat with their homemade punch, along with the CAPA cookies which were delicious, but also beautifully decorated with our CAPA logo.

The winners of the Sculptures By The Sea, People's Choice Awards were announced. Isabelle Copland won, with High Commended going to Katya Schwalbe. Well done, both those artworks were amazing, we hope you use your prizes to go on and make even more amazing artworks.

A massive thank you to the CAPA Committee for their help throughout the year and on the night. In addition, the kind donations from Concrete Online Services for the BBQ and our peers to the refreshments stand were greatly appreciated. All of this helps raise funds that go towards our future events. Thank you to the staff giving up their time to make the night a success, we do value and appreciate you. Congratulations to all the performers!

A special shout out to the Mc's, Bree Fowler, Lucy Castelletti and Joshua Barton, the official photographer, Amber Laing-Marshall and the behind the scenes organiser Phoebe Copland and her team of hosts, as well as the hard working sound/lighting students. Without all these behind the scenes CAPA kids, our on stage CAPA kids would not shine as bright.

## Muirfield High in the 2018 School Spectacular

Including more than 5,000 students, Schools Spectacular 2018 lived up to its name - The Greatest. With talented dancers, a terrific choir and featured artists, and the tremendous marching band, it was guaranteed to be an incredible two days of performances, along with the countless hours of rehearsal in preparation.

Not only was Muirfield lucky enough to have a group of brilliant dancers join in on this year's Schools Spectacular, but an octet of musicians was also involved as a part of the NSW Public Schools Millennium Marching Band. With an array of instruments ranging from drumline to sousaphone, to saxophone, to trombone, we performed both at Spec Fest and the train station before each show began, as well as a part of the intermission inside Qudos Bank Arena.

Our outside show consists of parading to an area then "choreography," that is standing in a block and performing completely memorised music along with choreographed moves, while our inside performance or "drill" involves marching in well-planned formations and lines in time with more memorised music. It's both mentally and physically challenging, but that's what makes it so rewarding in each and every performance that we do together. This year, our drill show in Schools Spectacular included the pieces 'Uprising' by Muse, 'Dynamite' by Taio Cruz, and 'Confident' by Demi Lovato.

Also known affectionately as the "Harry Potter Band" by the presenters of the ANZAC Day Parade because of our purple sashes and feathers in our shakos, we rehearse one weekend a month at Galston High School, coming together with students from public schools all over New South Wales. Led by band

director Katrina Andrus, we participate in a range of events such as Schools Spectacular, the ANZAC Day Parade in the city, Southern Stars - Wollongong's very own spectacular, Sydney Kings matches, NRL games, and the Invictus Games.

If you are interested in applying for our exhilarating 2019 ensemble, read about us and apply online at

Whether or not you play an instrument, we have a place for you in the band, and we cannot wait to meet all our new members next year.

## NSW All Schools Athletic Carnival

At the NSW All Schools athletic carnival, held in the last week of September at Sydney Olympic park, a few Muirfield students represented our school.

- Emma Thomas, Year 7, came 1st in the 13 year old girls 3000m Walk and 12th in the 1500m run.
- Chloe Krklinski also from Year 7, finished 1st in the 12 year old girls 3000m walk and
- Caitlin Roach Year 9, ran 9th in the 15yrs girls 3000m run and 14th in the 1500m run.

With their results both Emma and Chloe became NSW All Schools State Champions. Due to her age group, Under 14 Girls, Emma has qualified to compete for NSW at the Australian All Schools championships in Cairns QLD on 7 – 9 December 2018. As the 12yrs girls don't qualify for Nationals, hopefully next year Chloe will get her chance.

## **Parramatta Boys AAL Squadron is enrolling for Term 3 2018**

We are writing to let you know that the **Parramatta Boys Squadron** of the **Australian Air League** has is enrolling cadets for Term 4 2018 at its meeting location at **LOT 1 Edison Parade, Winston Hills NSW 2153** on **Tuesday evenings from 7:15 until 9:15pm**.

The Parramatta Boys Squadron is one of the oldest Squadrons in the Australian Air League, forming in 1935 and for many years met in their hall at Jubilee Park, Parramatta. Unfortunately, progress took its toll and the hall that the Squadron had met in since the 1940s will soon be redeveloped, so the Squadron has taken the opportunity to move into a new area at Winston Hills.

The Air League is inviting young people, who may be interested, to come down with their parents and learn what the Air League has to offer. The Australian Air League is a nationwide organisation for young people aged from 8 to 18 years. Staffed by volunteers and self-funding, it teaches leadership skills and provides a wide range of interesting and exciting activities such as camping and hiking, sport and physical recreation, building and flying model aircraft and ceremonial drill. Through classes and practical demonstration members learn the theory of aviation and a wide range of associated topics such as Meteorology, Navigation, Aero Engines and Aircraft Construction, as well as general interest subjects such as photography, field craft and community service.

The Air League also provides a range of flying experiences for its members, from simple scenic joy flights through to gliding and powered-flying training, from private pilot licence (PPL) through to airline entry standards – all in aircraft owned, operated and professionally maintained by our staff.

The Australian Air League is also approved as an **Active Kids Provider** registered with Service NSW. **Active Kids** is a program to help NSW families meet the cost of getting their kids into sport and active fitness and recreation activities. Information can be found online at <https://sport.nsw.gov.au/sectordevelopment/activekids>

Running a strong program that is both fun and educational, the Australian Air League is making fine citizens out of young Australians. Currently there are also a number of other Squadrons in Western Sydney including **Penrith, Richmond, and Blacktown** as well as Squadrons at **Epping and Ryde**.

Girls with an interest in aviation may also contact the **Blacktown Girls Squadron** via our 1800 number below.
