Issue 1 2020

Term 1 Week 3

## From the Principal - Ms Reeves

Welcome to all parents and students! I especially welcome our new students and their parents.

### Outstanding HSC Results

We congratulate our 2019 Year 12 students for their many outstanding results.

The results in Advanced, Extension 1 and Extension 2 English are of particular note. These three courses had a very high percentage of Band 6 results.

The Sydney Morning Herald placed us on their Top 10 list of public comprehensive schools for English. This is a testament to the hard work of the students and the relentless efforts of their teachers.

Our Dux was Sharon Xu with an ATAR of 94.4.

Sharon studied English EAL/D, Biology, Chemistry, Mathematics Extension 1 and Mathematics Extension 2, with Band 6s in both of the highest and most challenging Mathematics courses.

Fourteen students were placed on the Distinguished Achievers List for a range of courses. The Distinguished Achievers List has the students who achieved a result in the highest band (Band 6 or Band E4) for one or more courses.

### Strong Start!

We have had a strong start to the school year. I have visited several classes and have been pleased with the level of engagement and effort. All students are provided with a school diary in which they should record assignments, homework and test dates.

I especially encourage parents of junior students to regularly check their child's diary and make sure their child brings it to school every day. The assessment schedules for all year groups are available on the school's website under the Learning at our school tab. These schedules should help students, and their parents, plan their work load.

It was pleasing to stand under the COLA at our recent assemblies and see all our students return for the beginning of the academic year so well attired. There was a sea of pale green and white school shirts. Wearing the correct uniform indicates that the student is part of the community and accepts the school's standards and expectations.

If you have any uniform items that your child has outgrown, please consider donating to the school. We help families who need some assistance. Alternatively you can donate items to the uniform shop, which resells items, making uniform affordable for all.

### Staff News - 2020

I have continued to fund the position of Deputy Principal Support. Ms Coates has been working closely with families of many students who have mental health conditions. She has also led professional learning for all school staff on how we can best promote a mentally healthy community and support our young people. I have seen the benefit of having her expertise and time to dedicate to these students.

While most Muirfield classrooms are always orderly learning environments, adolescents can present with challenging behaviours, and some individuals have particular behaviour concerns. This year Ms Coates will also be directly supporting staff and leading professional learning on strategies for classroom management.

I am also funding extra release for Ms Ansoul to support teachers in addressing HSC teaching. Ms Ansoul is an outstanding teacher and has much to share with all teachers, particularly

Mr. Hallab

Ms. Vassos

early career teachers. Her role as an instructional leader for 2020 will ensure our students' ongoing HSC success and improvement in our HSC results.

Ms Vassos has joined us, teaching Food Technology and VET Hospitality. Mr Hallab also joined the TAS faculty last term.

Ms. Dodain

Mr. Steele

Mr. Hofman

Ms. Craig

New to Science are Mr Steel and Ms Dodain.

Mr Hofman has joined the HSIE faculty.

Ms Craig is replacing Mr Contreas who is on leave for 2020. Ms Craig knows

Muirfield well – she was a student here for 6 years. She is very happy to return and says Muirfield students are always great students.

Mr. Venables and  
Mr. Skevington

Mr Venables and Mr Skevington have moved into the TAS faculty. Agriculture is actually part of the technology area and our two "Ag Boys" will be sharing their skills with the TAS teachers as the

Ms. Dykes

Ms. Douglas

Stage 4 Technology Mandatory course has to include the study of Agriculture.

In English, Ms Dykes has returned to Muirfield, after being on extended leave for a number of years. Ms Douglas is also joining the English faculty for four days a week.

### School Photographs

Mrs Pasternatsky did a wonderful job organising photo day. These photographs serve as a wonderful memento of school life and are great to look back upon in future years. Year 12 fun photo continues to be a tradition at Muirfield where students show amazing creativity.

### Building Work

If you have driven by or visited the school, you would have noticed the building work taking place. Several blocks are having the roofs replaced and new guttering installed. When the school was built the down pipes were installed within the buildings, which meant a lot of flooding when the down pipes were blocked, or in heavy rain.

The new gutters should prevent the flooding. As anyone who has had building work down knows, the completion date is often more hopeful or suggestive than definite. The roof work was meant to be completed by Week 2, however, several factors delayed the work. When working on the drainage, the builder discovered we needed all new storm water drains installed.

This term work will also commence on replacing the upper walkway ceilings and refurbishment of the CAPA staffroom. We are also hopeful that the new STEM room, which is a school funded project, will commence this term.

## Open Evening – Monday 2 March, 5-7pm

If you have family or friends who are interested in sending their children to Muirfield, our Open Evening is coming soon. It always has such a positive celebratory feel – much like a primary school Education Week extravaganza – that I wish we could invite existing parents.

The students who volunteer to act as guides or assistants really enjoy the evening. But as space is at a premium and the hall is over-flowing with prospective families, we have to limit our invitations to those looking to enrol at Muirfield.

## Student Attendance

We know regular attendance is essential to assist students to maximise their potential. School staff monitor and record student attendance as part of our duty of care. We know that attendance can be affected by a number of factors. Not attending school is often the first indication of deeper problems.

Parents can view the marked morning roll via the parent portal. If you note an

### **PARENT AND CAREGIVERS** **PLEASE DO NOT DRIVE INTO THE SCHOOL GROUNDS**

In the interests of student safety, parents and caregivers are not permitted to drive onto school grounds at any time, including before or after school, to drop off or collect students, or to attend meetings with staff.

There are deliveries and staff accessing the car park at different times during the day and the access is very narrow.

The only exceptions to this is when either you or your passenger has a disability or if you are picking up a sick or injured student.

STUDENT SAFETY  
IS UP TO ALL OF US

FOR PLAYING YOUR PART

## Muirfield Leadership Forum - December 2019

Congratulations to the Student Executive for a well run and tremendously enjoyable leadership camp.

Following attendance at the highly regarded Mitchell Youth Forum, our student leaders felt inspired to replicate the fun activities and learning opportunities for Muirfield students.

The student Executive ran every aspect of the camp, from budgeting to catering. All of the students involved had a fantastic experience. It was certainly an impressive start to their leadership.

## **One of Muirfield's very own representing Australia at the Synchronized Ice Skating in Zagreb, Croatia**

In December, Rory one of our very talented Year 12 students headed to the National Synchronized Ice Skating Competition with her team, The Southern Sky.

Additionally, during the holidays she travelled to Zagreb, Croatia, to skate with her team, representing Australia, in the Snowflakes Trophy. Rory's team made up of 16 girls, took Bronze in the Mixed Age Division.

We look forward to hearing more about her amazing achievements in the future.

## CAPA Committee

If you are a Muirfield CAPA Mum or Dad, then CAPA needs you...Desperately. We only have 3-4 meetings a year, on a Thursday night at 7pm, and the meetings always have chocolate and nibbles.

Meetings are no longer than 60 minutes, unless you stay longer for a drink or a chat. Annual activities requiring parent support include:

- MADD night (school hours off site student supervision, transport equipment to venue, make a hamper for a raffle)
- CAPA workshops (making or providing food to feed the tutors)
- Bandlinks (pizza & soft drink order/delivery)
- SummerArts (sausage sizzle, intermission drinks & snacks)

Support your CAPA kid and help CAPA out. Without our support many activities will be simply impossible for the CAPA faculty to run.

Keep an eye on the school calendar or your emails for notice of the first meeting in 2020. It is held on the first Thursday of the month after the P&C Committee Meeting, in the school common room. These meetings are prompt to start and run quickly. We will be focusing on supporting the CAPA Workshops in Week 2 of Term 2.

If you are time poor and can't make it to a meeting, but would still like to help, some things you could consider are assisting in:

- the running of the online booking system for ticket purchases
- costume alterations
- sourcing out specific items for the running of events

Thank you in advance for considering working with us. If you would like more info, please contact Alida at - [alida@schiller.id.au](mailto:alida@schiller.id.au)

**PARRAMATTA FARMERS MARKET**

**IS GOING PLASTIC FREE!**  
AND WE NEED YOUR HELP

From 31 January, stallholders and food vendors will begin phasing out single-use plastic packaging and utensils and replacing them with reusable or compostable alternatives.

Cutlery and packaging will be made from organic materials and all organic waste will be collected in new green lidded bins. The waste from these bins will then be used to create sustainable products.

To succeed we need your help to ensure only organic waste is disposed of in the green lidded bins, so keep your eyes out when you're at the Farmers Market and ensure you are disposing correctly.
