From the Deputy Principal - Ms Hosen

I am pleased to report that students are hard at work. Teachers have reported how pleased they are with the focus and enthusiasm students have exhibited thus far in their classrooms.

Similarly, as I visit classrooms, I am in awe of the expert way in which our teachers use diverse pedagogical tools to engage and motivate students. Muirfield's relentless focus on learning provides the very best culture in which our students can flourish. Thank you to our head teachers, year advisers, classroom teachers, SASS and support staff, and of course our students, for making our school the success it is!

Year 7 Camp

As part of our Peer Support Program, Year 7 and Year 11 Peer Support leaders took the annual pilgrimage up the M1 to The Great Aussie Bush Camp during Week 5 of this term.

Apart from the opportunity for students to establish new friendships, a large element of the camp focuses on enhancing resilience, increasing self-esteem and providing opportunities for them to take calculated risks, work as a team and push themselves to their limits.

The high ropes, power fan, abseiling, kayaking, Survivor Island, raft building and the giant swing courses are designed to provide students with a chance to safely go beyond their comfort zones, at a pace that

feels right for them. I was fortunate enough to attend part of the camp and was extremely proud of the way students challenged themselves.

It was great to witness how students approached each activity with enthusiasm and a 'give it a go' attitude, as well as the encouragement and support they provided to one another to complete the activities. In some cases you could see their legs shaking as they left the safety of the wooded platform to "tightrope" across various challenges, but always present were the calls of encouragement and positivity from their peers.

Personal determination, combined with instruction and encouragement from the group, resulted in most students successfully completing the challenges. All the teachers were impressed by our new Year 7 cohort, and the compliments students received from the camp staff were overwhelming.

The camp was also an opportunity for our Year 11 Peer Support leaders to refine their leadership skills and further develop a rapport with the Year 7 students. The peer leaders were fantastic role models, displaying maturity beyond their years. This was noted by all Muirfield staff and the camp supervisors. A job well done!

More photos and an article about Year 7 Camp can be found on page 6

Thank you to Ms Marsh, Year 7 Adviser, for the tireless hours spent preparing and organising camp to ensure its smooth running. Many thanks also to those teachers and support staff who gave up their own personal time to attend camp: Ms Angelo, Ms Cooper, Mr Hallab, Mr Trewin, Ms Knobbs, Ms Colquhoun and Mr Brownscombe. Without the commitment and devotion of staff, camps could not go ahead and students would miss out on these wonderful lifelong memories and learning experiences.

Swimming Carnival

The 44th Annual Swimming Carnival has been swum and won here at Muirfield. Under clear, sunny skies, the air was filled with great sportsmanship, from all competitors.

MUIRFIELD HIGH SCHOOL SWIMMING CARNIVAL RESULTS

As the facilities at Granville Pool have a smaller pool, it allowed the opportunity for all students to participate, get wet and gain points for their house in the novelty events. Thanks to our sports organisers, Ms Knobbs and Mr Pearson, for their hard work and organisation to ensure the day was a success for all involved.

More photos from the Swimming Carnival can be found on page 9

Congratulations to Beachley, the triumphant house of the day, and to its wonderful captains who encouraged their team members throughout the day. Participation was the key to success!

Open Night

Once again we are already planning for next year's student intake, and our Open Night for 2021 Year 7 enrolments was a great success. There was standing room only in our hall, as parents and Year 6 students listened to

Ms Reeves' Principal's Address and our Year 8 speakers, Isla Stephenson, Daniel Chin and Isabella Primrose.

Leaders from our Student Representative Council led tours with enthusiasm, clearly proud to show off their school,

its staff and the facilities, and answering a myriad of questions from both inquisitive parents and excited students.

Our Food Technology students could barely keep up with the demand for the delicious muffins coming out of the oven; Dance and Drama students performed for each of the groups; HSIE had a display of medieval

armaments; Science conducted experiments; English displayed the wonderful work of current students; Mathematics had interactive games; Visual Arts students demonstrated their talents with a collaborative artwork; LOTE had displays of the biennial Japanese tour; PDHPE demonstrated the wide array of sporting opportunities available to students and TAS demonstrated the 3D and laser printers. All these displays highlighted the wonderful opportunities Muirfield has to offer to our students. I would like to acknowledge the tremendous work of the staff present on the night and the students that volunteered to help. Muirfield has certainly cemented itself as the school of choice in the area for so many families.

PARENT AND CAREGIVERS

PLEASE DO NOT DRIVE INTO THE SCHOOL GROUNDS

In the interests of student safety, parents and caregivers are not permitted to drive onto school grounds at any time, including before or after school, to drop off or collect students, or to attend meetings with staff.

There are deliveries and staff accessing the car park at different times during the day and the access is very narrow.

The only exceptions to this is when either you or your passenger has a disability or if you are picking up a sick or injured student.

STUDENT SAFETY
IS UP TO ALL OF US

THANK YOU
FOR PLAYING YOUR PART

Year 7 Camp

It is a rite of passage for Year 7 students to attend the Great Aussie Bush Camp as part of Muirfield's Peer Support Program. Students made the trek to Tea Gardens in Week Five of this term alongside fourteen Peer Support leaders and eleven staff members. This camp was an important opportunity for students to develop new friendships and deepen existing ones. For many, this camp was an exciting experience that they were looking forward to, while some students overcame their own fear and anxiety about attending a school camp. What an achievement!

During our three days away, students participated in a variety of team-building activities. To encourage communication and teamwork, students worked together to complete the high ropes course, raced to lift one another on the giant swing and encouraged each other to reach new heights on the rock climbing wall. Thrill seekers climbed 12.5 metres on the power fan and took a leap of faith. Those that preferred being closer to the ground enjoyed collaborating during their initiatives as well as spending a few relaxing hours at the beach to build rafts and go kayaking.

Our evenings were also busy with a disco, games night and the commando challenge. The teachers and Peer Support leaders were gracious in their commando victory.

And of course, it wouldn't be Year 7 camp without the mud run! By the end of the course we were unrecognisable and a little smelly.

An unexpected bonding experience was found sharing Aerogard around the campfire to keep the mosquitoes away. Despite the relentlessness of these insects, students were able to make the most of their experience.

I would like to congratulate Year 7 on their participation and exemplary behaviour over the course of the camp. They were patient, enthusiastic and highly entertaining. It was a lovely opportunity for me to get to know Year 7 and discover their interests, fears, embarrassing dance moves and little quirks. Of course I would also like to thank the Peer Support leaders and staff members for offering up their time. Without them the camp wouldn't have been possible or as enjoyable.

- Lauren Marsh, Year 7 Year Advisor

CAPA Committee

If you are a Muirfield CAPA Mum or Dad, then CAPA needs you...Desperately. We only have 3-4 meetings a year, on a Thursday night at 7pm, and the meetings always have chocolate and nibbles.

Meetings are no longer than 60 minutes, unless you stay longer for a drink or a chat. Annual activities requiring parent support include:

- MADD night (school hours off site student supervision, transport equipment to venue, make a hamper for a raffle)
- CAPA workshops (making or providing food to feed the tutors)
- Bandlinks (pizza & soft drink order/delivery)
- SummerArts (sausage sizzle, intermission drinks & snacks)

Support your CAPA kid and help CAPA out. Without our support many activities will be simply impossible for the CAPA faculty to run.

Keep an eye on the school calendar or your emails for notice of the meetings in 2020. It is held on the third Thursday of the month (the week after the P&C Committee Meeting) in the school common room. These meetings are prompt to start and run quickly.

If you are time poor and can't make it to a meeting, but would still like to help, some things you could consider assisting in are:

- the running of the online booking system for ticket purchases
- costume alterations
- sourcing out specific items for the running of events

Thank you in advance for considering working with us. If you would like more info, please contact Alida at - alida@schiller.id.au

2020 ROWING TALENT DEVELOPMENT PROGRAM

INTRODUCTION

The Academy is partnering Nepean Rowing Club in an exciting talent identification and development program, searching for our future Olympians. We are seeking young athletes dedicated to sport and ready to commit to a development program - regardless of any lack of experience in rowing.

The Academy-Nepean Rowing Club program will involve an initial six-week assessment period for those male and female athletes selected from nominations. This period will enable the athlete to confirm their desire and talent to continue participation in the full program, and coaching staff to assess the potential of the athlete to progress to the next level along the pre-elite development pathway.

The Rowing Program will provide opportunities for athletes to receive technical (coaching) support from Nepean Rowing Club's Head Coach, as well as educational knowledge across key topics such as nutrition, banned substances, cyber safety and sports injury management. Athletes will also receive personal development opportunities including media and corporate partner exposure, be nominated for awards and attend a range of events.

PROGRAM ELIGIBILITY

Athletes nominating must reside within the Academy's geographic catchment including the following local Government areas: Blacktown, Blue Mountains, Fairfield, Hawkesbury, City of Parramatta, Penrith and The Hills Shire.

Male and female athletes aged between 14 and 18 years of age will be eligible to nominate for selection in the program. Nominations will be called for from Monday 2nd March requiring athletes to undertake an online registration using the Academy's website.

Selection assessment days will be conducted at Nepean Rowing Club on Saturday 11th April (12noon-2pm), Thursday 16th April (9am-11am), Wednesday 22nd April (4pm-6pm) and Sunday 26th April (10am-12noon), following which athletes will be advised if they will be invited to participate in an initial six-week assessment program.

At the conclusion of the six-week period, coaching staff will advise of those athletes invited to continue in the full program which will be undertaken from 22nd June 2020 through to May 2021.

BENEFITS

Athletes selected in the Talent Identification and Development Program will receive the following benefits:

- Access to NSW's high standard rowing facilities;
- An individualized technical program provided by Nepean Rowing

Club coaching staff;

- A foundation in the technical and educational knowledge required to progress to the elite levels of the sport;
- Opportunity to attend Academy events, Nepean Rowing Club competitions, nominate for media and partner awards/scholarships;
- Opportunities to receive benefits from Academy partners including gym membership and professional sports medicine services.

COST

There will be no cost associated with the initial component of the Academy/NRC assessment period over the first six weeks. Athletes will be required to commit to attending all scheduled sessions to enable a full assessment.

At the conclusion of the program, athletes offered a scholarship within the Academy Program will be required to pay an Academy levy of \$200 which assists in funding clothing, education and personal development activities.

Athlete will also be required to join the Nepean Rowing Club as a member - the normal membership fee for the Club is \$500 however this will be reduced by the Club and a payment of \$200 for membership will be required.

Any further costs associated with activities that may be organised such as camps-competition or race events will be advised during the program.

From 31 January, stallholders and food vendors will begin phasing out single-use plastic packaging and utensils and replacing them with reusable or compostable alternatives.

Cutlery and packaging will be made from organic materials and all organic waste will be collected in new green lidded bins. The waste from these bins will then be used to create sustainable products.

To succeed we need your help to ensure only **organic waste is disposed of in the green lidded bins**, so keep your eye out when you're at the Farmers Market and ensure you are disposing correctly.
