Special Religious Education Participation Letter

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, faith and morality from a religious or non-religious perspective at the choice of parents.

The school website

<https://muirfield-h.schools.nsw.gov.au/learning-at-our-school/religion-and-ethics.html>

provides information on these options to support parent/carer choice.

A parent/carer may at any time notify the school in writing that they wish to change their decision. Students will continue the same arrangement in future years, unless a parent/carer requests a change in writing. Students can only attend SRE with parental permission in writing or via this electronic note.
