WSU - Design Portfolio Day

12 September

Parramatta South Campus

Western Sydney University's Design Portfolio Day is an exceptional merit pathway for those wanting a career in graphic design, photography, illustration, art direction, digital media design, or design education. Students can attend an interview and show their original creative work to determine eligibility to receive an early offer into the Bachelor of Design (Visual Communication) degree.

Interviews will take place on Thursday 12 September at Western Sydney University's Parramatta South campus. [Find out more](#) and register your interest.

<https://www.westernsydney.edu.au/future/student-life/events/design-portfolio-day.html?cid=2019uacnews-may:designportfolioday-group1>

UOW Early Admission

Opens 1 August

Closes 30 August

Applications for the 2019/2020 Early Admission program will open on Thursday 1 August at the [UOW Early Admission website](#). Any student who is completing their final year at an Australian high school is eligible to apply.

More details will be communicated soon. In the meantime, UOW encourage students to [register for updates](#) so they can keep them across Early Admission key dates and application details.

http://mkto.uow.edu.au/2019-School-Leaver-Newsletter_Subscription-Page.html

University of Wollongong – Learning Labs 2019

Closes 29 May for applications for July holidays

Wollongong Campus

An academic enrichment program for high achieving students from Year 7 to Year 10.

Learning Labs is designed for motivated and passionate learners who are performing excellently in their area of interest. Workshops are challenging, as well as fun, and are held over one or two days during the school holidays.

We welcome everyone who would like to meet other kids that share your interests and meet inspiring teachers.

Please see below blue buttons for workshop details.

Confirmation emails will be sent out within a week from application closing date.

<https://www.uow.edu.au/in2uni-myway/learninglabs/index.html>

Open Days, Charles Sturt University,

August and September

Discover everything that Charles Sturt University has to offer, step inside our state-of-the-art facilities, meet academics and get a real taste of university life! Open Days will be held across our six campuses throughout August and September. For event dates see below or email infoevents@csu.edu.au

<https://www.csu.edu.au>

Reminder - Macquarie University Year 12 Information Evening

26 June. 5.30pm – 8.00pm

Heading to uni next year? Don't miss the Year 12 Information Evenings!

Macquarie University invites you to attend an evening of short talks featuring Macquarie representatives and current students. Talks will be followed by an exhibition where you can ask UAC, their Future Students team, and university representatives about degrees, entry requirements, scholarships and everything Macquarie.

Find out more about the university admissions process, including early entry, and hear about initiatives that will help prepare you for the workplace, such as the Professional and Community Engagement (PACE) program.

Make an informed decision about your future by evaluating your study options with Macquarie. Parents welcome.

City campus. [Register here.](#) <https://www.mq.edu.au/study/information-for-high-schools/whats-on>

Macquarie University Leaders and Achievers

- 3 June – Applications open
- 15 August – Offer round 1
- 12 September – Offer round 2
- 3 October – Offer round 3

Macquarie Leaders and Achievers is a new early-entry program that recognises a student's academic performance alongside their extracurricular activities that demonstrate leadership, community service and personal achievement. Year 12 students who meet the criteria are offered a place in their preferred degree before the HSC examinations.

How to apply - Students complete an [online application](https://www.mq.edu.au/study/admissions/entry-requirements/domestic/macquarie-entry/macquarie-leaders-and-achievers) and have a school representative endorse their application. <https://www.mq.edu.au/study/admissions/entry-requirements/domestic/macquarie-entry/macquarie-leaders-and-achievers>

UTS - Women in Engineering and IT Cooperative Scholarship

Closes 8 September

- Biomedical
- Civil/ Civil Environmental
- Data
- Electrical
- Mechanical/ Mechatronics
- Software

This scholarship is proudly sponsored by Industry to increase the participation and retention of young women in engineering or information technology. The Women in Engineering and IT Cooperative Scholarship is a cooperative education program between the University and sponsoring organisations. The scholarship will include 3 periods of industry placement as well as mentoring, networking, leadership and professional development opportunities.

<https://www.uts.edu.au/future-students/engineering/essential-information/scholarships-and-prizes/women-engineering-and-it>

Bond - Business, Hotel and Tourism Management, Actuarial Science and Commerce Experience Day

22 October

Choosing the right university for you can be challenging - it's one of the most significant decisions you will make in shaping your future. At Bond University, we appreciate the importance of this decision and encourage those looking for a quality education to consider Bond. A full Experience Day for Year 10, 11 and 12 students, parents and teachers to attend sessions, see the latest facilities and talk to relevant academics and current students.

<https://bond.edu.au/event/46371/hotel-and-tourism-management-experience-day>

UNSW – Girls In Business Winter Camp

Apply by 31 May

8 to 10 July

Girls in Business – High Risk to High Tech is an immersive winter camp designed for girls in year 10 and 11 who want to explore their future in the Information Systems and Actuarial industries. This exciting new program is a collaboration between UNSW Business School and industry partners to build confidence and participation in the Information Systems and Actuarial industries within females.

<https://www.business.unsw.edu.au/students/student-experience/girls-in-business-winter-camp>

UNSW EMU Robotics Group

29 May. 7pm

UNSW Sydney in the Engineering building room G14

We are EMU robotics group based at UNSW sydney. We cater for students of all ages, years 5-8 (junior group) and years 9-12 senior group. If you could please advertise this in your email blasts that would be great. For sign up:

Medicine, Paramedicine, Medical Research & Psychology Taster Day - University of Tasmania

Monday 29 July

Spend the day learning about careers in health through the eyes of a medical researcher, paramedic, psychologist and doctor. This Taster Day will be held in Hobart at the Medical Science Precinct where you can also learn about student life at the School of Medicine. There will be hands on activities and opportunities to ask questions about these careers.

<http://www.utas.edu.au/health/study/taster-days>

Pharmacy Taster Day - University of Tasmania

6 September

Explore a career in Pharmacy at this Taster Day and learn about the rewarding pathways you could follow. Find out what a pharmacist does in your local pharmacy and why it is such an important job. Pharmacists work in hospitals, in the community, on the road and even behind the scenes in areas of drug research.

<http://www.utas.edu.au/health/study/taster-days>

Macleay College - New Course – Diploma of Digital and Social Media Marketing

Macleay is excited to announce its new Diploma of Digital and Social Media Marketing course, launching in May.

With so many people online these days, it's essential for businesses to communicate with their customers using digital and social media. That's why this fully accredited 8-unit diploma is designed to take students from beginner to expert and allows them to be more competitive in the rapidly changing digital industry. Plus, it only takes seven months to complete.

<https://www.uac.edu.au/undergraduate/courses/mc/560155.shtml>

ACAP - Changes to Admission Criteria

ACAP has changed its admission criteria for applicants. The changes are intended to enable ACAP to better assess each application on an individual, case-by-case basis.

As part of these changes, ATARs will no longer be considered as part of ACAP's selection process. All applicants will now be required to undertake a screening interview, as well as meeting **one** of the following criteria:

- successful completion of a Senior Secondary Certificate of Education (or equivalent)
- successful completion of a Certificate IV or above (or equivalent)
- successful admission to an undergraduate degree at an Australian university (or equivalent)
- be 21 years or above at the date of commencement.

For more information, contact [ACAP](#).

<https://www.acap.edu.au/>

Diploma of Film Applications Still Open

Sydney Film School. The next student intake at Sydney Film School is for our July 2019 semester. Applications for the Diploma of Screen and Media course are open now and we invite interested students to apply. For more information enquire at: admissions@sydneyfilmschool.com.

GENERAL

Sydney Youth Orchestra School Holiday Programs

SYO Holiday and Open Programs combine high standard music making, creativity, exploration and personal development. Now in its third year, the SYO Summer School has become a firm favourite of budding young musicians, music teachers and parents alike. SYO Holiday and Open Programs are packed with choir rehearsals, large ensemble playing, masterclasses and tutorials, music theory and info sessions, as well as the opportunity to make friends and have fun. If you're interested in hearing about our school holiday programs please complete the below form. To update your preferences and hear about our concerts and other events please do so here:

<https://syo.com.au/programs/syo-open-holiday-programs/audition-form-2/>

Taronga Zoo – Stage 6 – Biological Diversity

Yr 11. Biodiversity is important to balance the Earth's ecosystems. Students will learn about the Theory of Evolution by Natural Selection, evidence for evolution and the effect of various selective pressures, focusing on species observed by Charles Darwin.

In this workshop, students investigate different types of adaptations and the relationships between organisms in terms of specialisation, using a range of interesting Australian and exotic species as examples.

<https://taronga.org.au/education/school-workshops/biological-diversity>

Power of Engineering

Friday, 16 August. 9:00 AM 3:00 PM

This one day event is for Year 9 & 10 female students in the Bathurst region, and is sponsored by Charles Sturt University. Register your interest for your school by emailing info@powerofengineering.org.

If you are interesting in volunteering for this event, you can sign up on our volunteer portal [here](#).

<http://www.powerofengineering.org/new-events/>

Weather Seasons of Places

Sydney Observatory, 1003 Upper Fort St , Millers Point

Learners investigate the weather in this Geography/Science hands-on, experiment-based workshop to study the weather and seasonal markers in Sydney and at another place, Singapore. Using quantitative techniques, learners will explore temperature, cloud cover, wind speed and direction. They will use real meteorological instruments.

<https://maas.museum/program/weather-and-seasons-of-places/>

Discovery your Path to Physiotherapy

Physiotherapists play an important role in keeping people moving, whether it be for maximum performance in athletes and people with chronic health conditions. They also have an impact on patients who require rehabilitation after events such as surgery or a catastrophic accident. It can be rewarding to see patients reach their goals.

<https://www.myhealthcareer.com.au/physiotherapy-career/>

Join the NSW Community Fire Unit Program

A Community Fire Unit (CFU) is a team of local residents living in urban areas close to bushland who are supported by Fire & Rescue NSW (FRNSW) to enhance their safety and resilience to bushfires. As a volunteer CFU member you will learn how to prepare yourself, your family and your home ahead of the bushfire season. If you are 16 or 17 years old you can join a CFU if your parent or guardian is also a member of the CFU.

The Simpson Prize

Closes 8 November

The Simpson Prize is a national competition for Year 9 and 10 students. The competition encourages participants to explore the significance of the Anzac experience and what it has meant for Australia. Eight winners are chosen from each State and Territory with the opportunity to visit overseas battlefields and participate in Anzac Day commemorations. For more information go to [The Prize](#) page.

Answer the question and visit the site below for details:

“Allied victory brought an end to war, suffering, and challenges for Australia and its people.”

To what extent do experiences of 1919 support this view?

<http://www.simpsonprize.org/>

Bright Awards

Closes 1 November

If you like animation, games design, fashion design, photography, web design, interior design, graphic design.

The Bright Awards is a rare celebration of creative craft within secondary schools around Australia. Designed to highlight emerging young creative talent and brought to you by Torrens University.

Need another reason to enter? Your school could be in the running to win the Bright School of the Year Award, demonstrating the school's ability to produce talented students in the fields of digital and traditional design. Each winner will receive \$1,000 for themselves and \$3,000 for their school. Entries for 2019 are now open.

<https://brightawards.com.au/>

Are you passionate about art? Art Gallery NSW – Youth Collective

Next round opens in September

Do you want to meet like-minded art lovers? Would you like to gain hands-on experience creating events and programs at the Art Gallery of NSW?

We are calling for arts and culture enthusiasts aged between 15 and 24 years to be part of the Art Gallery of NSW's 2019 Youth Collective. We want to give YOU direct access to a kaleidoscope of art experiences and empower you with the skills you need to reach your goals.

The Youth Collective will work closely with Art Gallery of NSW staff, industry professionals and artists to produce [FOMArt](#), a monthly program featuring interviews and talks, performances by young musicians, collaborative workshops with local artists... and more!

<https://www.artgallery.nsw.gov.au/education/youth-programs/youth-collective/>

Science in Schools Grants – Successful Schools and their Programs

Congratulations to the 291 schools listed below that have been successful in receiving grants of up to \$500 or less to help them conduct a range and variety of science activities during National Science Week August 10-18 this year.

Thanks to the Australian Science Teachers Association for coordinating the annual school grant round.

<https://www.scienceweek.net.au/school-grant-recipients-for-2019/>

ACMF National Song Writing Competition

Thursday 29 August, 2019

Every year, every student from every school across Australia is invited to put pen to paper and enter their original song for a chance to win prize-money that can be allocated towards musical equipment and tuition.

<http://acmf.com.au/national-songwriting-competition/>
