

## WHAT IS TAFE DELIVERED VOCATIONAL AND EDUCATIONAL TRAINING (TVET)?

While studying for your HSC, consider getting a head-start on your future career.

A TVET course is a great study option during Year 11 and/or 12 because they allow you to:

- complete NESA units that count towards your HSC
- gain practical skills to help you be job ready
- experience an adult-learning environment
- start or complete a nationally recognised TAFE NSW qualification at the same time as you do your HSC
- choose from a wide range of courses that are not offered at school
- a cost effective pathway to TAFE NSW qualification

## BOARD DEVELOPED COURSES – INDUSTRY CURRICULUM FRAMEWORK

These courses give you credit towards the HSC and may count towards an ATAR if you:

- complete a 240 hour course
- complete mandatory work placement
- complete the optional HSC exam (NESA)
