

## **Traineeship position**

Top Ryde Early Learning is one of Sydney's leading childcare centres. We are dedicated to making early education fun, exciting and unique.

We have won multiple awards for staff training and development and a good work life balance is important to us.

Our management team includes the Vice President of the Australian Childcare Alliance and all our educators are qualified and enthusiastic.

We pride ourselves on being an environmentally sustainable centre, having won awards for our efforts. Our educators provide our children with nature walks, cooking damper over firepits, planting our own edible flowers and creating a quirky, exclusive, learning adventure every day.

Would you like be part of a team that gives their all to educating in an inspiring way, full of smiles laughter and fun? Do you have what it takes to quickly form relationships with not only the children but their families and your co-workers?

Maybe you love acting out a story book rather than just reading it? or singing a song to help mealtimes go smoothly? or have a funky dance to do when one of the children uses the toilet for the first time?

If so, then maybe you are just who we are looking for!

No previous training is needed as you will be studying a Certificate III in Children's services and we will help you with this. We know you can be a success, if this is your passion, as most of us started as trainees.

You will need to be available for a rotating roster that spans from 6.45am to 6pm, Monday to Friday also have a working with children check and police check and have the authority to work in Australia.

We are an equal opportunity workplace and we welcome applications from all genders and ethnicities. A second language is an advantage. And male educators are strongly encouraged to apply.

Check us out on our website [www.toprydeearlylearning.com](http://www.toprydeearlylearning.com) and on Facebook [https://www.facebook.com/TopRydeEarlyLearning/?ref=br\\_rs](https://www.facebook.com/TopRydeEarlyLearning/?ref=br_rs)

If you like what you see then send you resume and a short cover letter to [liv@stellarlearning.com](mailto:liv@stellarlearning.com)

We look forward to hearing from you
